

Folding pocket knife with a 420 stainless steel blade. Blade with a fine part (for precision cutting) and a micro-serrated part (for heavy duty task). Red G10 fiber and stainless steel handle. One-handed opening/closing with a Liner lock safety system. Torx screw assembly. Seat belt cutter and window breaker hammer functions at the back of the handle. Heather grey RPET pouch included.

Key features:

- A 420 stainless steel blade for optimal resistance against oxidation.
- A half micro-serrated blade on this emergency knife to adapt to all cutting needs.
- A clever security locking system called Liner lock, among the easiest to use.
- Torx screw assembly to reduce friction during opening and preserve its good functioning over time.
- Seat belt cutter with razor sharpening and window breaker on this rescue knife for emergency situations.
- A G10 handle, a composite material made of epoxy resin and fiberglass offering excellent resistance to moisture and high temperatures (up to 180°C)
- Presented in a storage pouch made of RPET (recycled material) instead of a disposable cardboard packaging.

Features

GENERAL

Brand	Baladéo
Custom Code	8211930000
Country of origin	China
GTIN code	3661190002617
Material	Stainless steel, G10
