Cutting board in bamboo with tray 'Lagos'

Ref: ECO000547

Bamboo. Comes with a removable 31 x 21 cm food-grade 430 stainless steel tray.

Key features:

- Bamboo is one of the most used wood for kitchen chopping boards due to its waterproofness and antibacterial qualities.
- Tray made of 430 stainless steel for optimal durability, full food safety compliance, and dishwasher compatibility.
- The removable tray under the cutting board helps save space and allows for immediate disposal of waste, saving time and keeping the work surface clean.
- Strong encouragement to compost vegetable waste.
- Also useful for easily transporting chopped food to the pan or pot.
